

## GIVING TREE FUNDRAISER

### DESCRIPTION:

Another easy and effective fundraiser is a Music & Memory Giving Tree.

Potential donors select an ornament from your tree. Ornaments have on the back, the gift you request and the corresponding monetary amount. A donor can donate the gift or the funds to purchase it.

It should be displayed in a prominent location. Be certain to share its purpose in advance with employees and family members. Perhaps a flyer would be a good way to announce it and where the tree will be located. Some suggested flyer content is provided in this fundraiser package.

It's easy and effective!

### TO SET UP YOUR TREE:

You can easily find inexpensive, cardboard, decorative gift tags with the string already attached. Or, you can create your own ornaments as an activity for your facility or business. On the back, write the gift you request and the corresponding monetary amount.

Included in this PDF are sample ornament gift requests. If you don't want to hand-write on the back of each ornament, you can save time by printing these samples, cut them to size and staple or glue to the backs of your ornaments.
