

#### MUSIC COMFORTS THE SOUL

The **MUSIC & MEMORY™** program brings the *joy of music* into the lives of older adults struggling with Alzheimer's and dementia. It reconnects them with the world through *music-triggered memories*. The music engages them with the present and allows them to regain their connection to others. The *transformation is powerful* and often immediate.

Please consider making a gift to **The New Jewish Home** so we can continue to provide **MUSIC & MEMORY™** along with so many other life changing activities and programs that enrich the lives of older adults in our care.
